| What can the school council talk about? | <p>We worked in groups to sort subject cards into groups of areas that we thought the school council should and shouldn't talk about and those things we were unsure of. We agreed the following:</p> <p>We should talk about:<br/>School Rules, Health and Safety, Toilets</p> <p>We shouldn't talk about:<br/>Individual pupils, individual teachers</p> <p>We were not sure about discussing Teaching Quality – Ije thought that we should leave this to the teachers, but Callum and Jaiden suggested that our ideas could make lessons more interesting. Miss Fassnidge suggested that teachers might find our opinions useful, so we agreed it was something we could talk about</p> |
| Class meetings                          | <p>We are going to hold class meetings before each School Council meeting to get the opinions of our classes about different topics and allow them to vote on different subjects. The first vote will be to decide if our first investigations should be into Lesson Quality, Behaviour in School or our school environment.</p> <p>Miss Fassnidge is going to create a PowerPoint for us to use in these meetings.</p> <p>We voted for the style of the PowerPoint and agreed on 'Main Event'</p>   |
| Photos                                  | <p>Taken – will be put on SC board</p> <p>Action: Miss F</p>   |
