

This booklet is to provide you with an overview of the end of year expectations for children in our school. The staff have outlined the key objectives your child needs to meet, in order to ensure they continue to progress throughout the year.

All the objectives will be worked on throughout the year and will be the focus of direct teaching.

We will appreciate any support you can provide in helping your children to achieve these objectives. Please do not hesitate to ask Miss Healey or Miss Nicholls regarding any of the content of this booklet or want support in knowing how best to help your child.

End of Year Expectations for Year 3

**VALLEY INVICTA
PRIMARY SCHOOL AT
HOLBOROUGH LAKES**

Meerkat School

Mrs Billingham

- Know pairs of fractions that total 1.
- Tell time using 12- and 24-hour clocks; and using roman numerals.
- Tell time to nearest minute.
- Know number of days in each month.

Increased focus on spelling

In English, your child will continue to work on the spelling patterns they have begun in previous years, but this year there is less of a focus on phonics and more emphasis on understanding and learning the spelling rules, as well as attention to prefixes and suffixes. There are statutory spelling lists for Year 3 and 4, so schools will split these across the two years, with teachers adding additional topic-linked words or words they feel their class needs to practise.
