

This booklet is to provide you with an overview of the end of year expectations for children in our school. The staff have outlined the key objectives your child needs to meet, in order to ensure they continue to progress throughout the year.

All the objectives will be worked on throughout the year and will be the focus of direct teaching.

We will appreciate any support you can provide in helping your children to achieve these objectives. Please do not hesitate to ask your child's class teacher regarding any of the content of this booklet or want support in knowing how best to help your child.

End of Year Expectations for

Year 6

**VALLEY INVICTA
PRIMARY SCHOOL AT
HOLBOROUGH LAKES**

Dolphin Class

Mrs Hetherington and Mrs Lamplugh

"We aspire to achieve and work together to succeed."

Reading

- Refers to text to support opinions and predictions.
- Gives a view about choice of vocabulary, structure etc.
- Distinguish between fact & opinion.
- Appreciates how a set of sentences has been arranged to create maximum effect.
- Recognise complex sentences • Skims and scans to aide note-taking.

Writing

- Use subordinate clauses to write complex sentences.
- Use passive voice where appropriate.
- Use expanded noun phrases to convey complicated information concisely (e.g. The fact that it was raining meant the end of sports day).
- Evidence of sentence structure and layout matched to requirements of text type.
- Use: Semi-colon, colon, dash to mark the boundary between independent clauses.
- Correct punctuation of bullet points.
- Hyphens to avoid ambiguity.
- Full range of punctuation matched to requirements of text type.
- Use wide range of devices to build cohesion within and across paragraphs.
- Use paragraphs to signal change in time, scene, action, mood or person.
- Legible, fluent and personal handwriting style.

Mathematics

- Compare & order numbers up to 10000000.
- Identify common factors, common multiples & prime numbers.
- Round any whole number to a required degree of accuracy.
- Multiply: 4-digit by 2-digit.
- Divide: 4-digit by 2-digit
- Add & subtract fractions with different denominators & mixed numbers.
- Multiply simple pairs of proper fractions, writing the answer in the simplest form.
- Divide proper fractions by whole numbers.
- Calculate % of whole number.

Key Stage 2 SATs

Firstly, no guide to Year 6 would be complete without some mention of the SATs — the assessment tasks that all Year 6 pupils sit in May of each year. The results of these will determine whether your child has met the ‘expected’ level in English and maths.

In both maths and English, there are a wide range of expectations for the children. Some of the content previously covered in Year 7 in secondary school has now been moved to Year 6.

“We aspire to achieve and work together to succeed.”
